No: IRILMM/Seminar-142/2026-27

Dated: Monday, 07 September 2026

Sub: 2-days Seminar on “Public Procurement Policy – Atma Nirbhar Bharat, National Security, MSEs and MII, GFR compliances & Public Procurement through GeM (With Latest Amendments)” on 26th & 27th November 2026 at India Habitat Centre, New Delhi

Dear Sir/Madam,

IRILMM is a body of serving and retired professionals of Railway's Material Management and Public Procurement cadre and imparting training to the Govt. officials and officers of PSUs on the emerging Topics related to Materials Management and procurement procedures as per the latest guidelines of Ministry of Finance, MSME, DPIIT and other authorities for the past 29 years.

Our physical training programs held in current year and past many got great feedback and appreciation from the participants. There have also been requests for repetition for benefit of many who missed the program. This Seminar would fulfil this requirement for topical knowledge on public procurement policy & GeM with latest updates as well as in capacity building.

It may be noted that during last few years Government has made many innovative changes in policy with a view to achieve multiple objectives and enhancing efficient projects deliveries. There has been increased focus in procurement policies to ensure efficient delivery and accrual of benefits, effective Financial Management, transparency, enhancements of e-processes including on Government e-Marketplace (GeM), e-payments, Make in India Policy, Restrictions on GTE's and participation in public tenders by the entities of neighbouring countries sharing land borders, provision of Insurance Surety Bonds, Procurement Manual 2022/2024/2025, Model Tender Documents, debarment of bidders, General Instructions, Proportionality in performance security, 'Vivad se Vishwas', Arbitration etc. Some of these have substantially impacted the provisions in the GFR 2017 and call for compliance. These changes are important and a Public Procurement Professional must be aware of the same with deeper understanding. Most of these are planned to be covered in the seminar.

This seminar will be beneficial for all critical stakeholders. It will help develop knowledge and ability for efficient procurement with clear understanding and complying with the latest provisions in General Financial Rules (GFR), Procurement Manuals and also understand and effectively use latest developments on GeM. For faster learning, it is important to interact, share and understand difficulties faced and solutions discovered in procurement related issues by others similarly placed officials. This seminar will provide ample opportunity for the same. The participant will also understand the mission and objectives of Govt. of India to move forward towards development of MSME sector, domestic manufacturing and ease of doing business in government with relevant GFR & GeM updates. The subject will help improve the delivery with improved system productivity & compliance. Other details are given in the enclosed Brochure.

IRILMM charges a delegate fee of Rs. 14,000/- + GST @ 18% (GSTN – 07AAATI0439F1Z0) per delegate for 2-day seminar. A discount of 5% will be given for two nominations and 10% for three or more nominations from the same organisation. The seats are limited and nominations will be accepted on first come first served basis on receipt of payment. Please send nominations from your organisation at the earliest. **Program is non-residential.**

Thanking you,

Yours faithfully,

Sd/-

(Vinod Kumar Langan)
